

"Life is denied by lack of attention,  
whether it be to cleaning windows  
or trying to write a masterpiece."

*Nadia Boulanger*

**What kind of writer are you? What kind do you  
dream of being? Don't deny your writing of life or  
your life of writing. Today is the day for you to start  
paying attention to your words.**

**Today could be the day others start paying  
attention too.**
